Vol. No. 17

February 2017

Issue No. 2

Note from the President -

Well, here we are at month two of the New Year. According to Phil, looks like six more weeks of winter. Sure has been a mild winter so far and spring will be here before we know it!! Collected up a bunch of car show flyers at Autofest this year. Will add them to our car club event list. Please keep in touch with local event by going to the web sites below. This year's wildfires in the Smoky Mountains destroyed a lot of vehicles (see the photos in the gallery). These photos were taken in January. Fun meeting coming up this month so get that favorite dessert recipe going.

Keep up with what's going on with the club – READ THE MINUTES.

Can't really cover all the local events in the newsletter, but the following are some of the local web sites you can check:

Alabama Events: www.noalcarcalendar.9f.com and www.huntsvillecarscene.com
