Vol. No. 17

August 2017

Issue No. 8

Note from the President -

Well, the kids/grandkids are back in school and it won't be long until this year's car events start winding down. Keep in mind that if you "got it - drive it". We have two more meetings before our annual show at Martin. Would like everyone to attend this month's car club meeting so we can discuss work assignment etc. Need to know we have enough help to pull it off this year. We can also use non-member help as well .i.e. friends, relatives, neighbors etc. We can't rely on just a handful of club members and expect the show to just magically happen. We need your help and commitment!!

Reminder that club dues were required by July 1st. Please call or see Judy. This just may be your last notice and club newsletter!!

BIG THANKS to Jon & Billie Wilson for inviting the club to their open house. Had a great time and love the location and house!!!! u Drop in anytIAM and 5::00 PM

Keep up with what's going on with the club - READ THE MINUTES.
